CHOLLA DISTRICT - SPECIAL NEWS BULLETIN

Dear Cholla Residents,

The City of Glendale's Transportation Department develops the "Glendale Onboard Transportation Program Annual Report" each Spring. The Glendale Onboard (GO) Transportation Program is a voter-approved initiative to fund transit, bicycle, safety education and neighborhood programs in the City of Glendale. Public input is important to the GO Program decision-making process. GO Program events are free and open to the public. The Annual Report brochure contains lots of valuable information on various Transportation projects, as well as upcoming events. To view the brochure, please [click here](#).

Learn more about how the GO Program is working for you. Drop by this informal meeting for a snack and to view exhibits detailing planned and completed GO Program projects. City staff and engineering consultants will be on hand to answer questions and to hear your thoughts.
